**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family choose a competitive provider, Sonic, in Northern California and very much want to stay with them and would like to more competition! Otherwise we face price hikes that will increases the cost of our internet and telephone services.

Tell them why broadband is critical to your home, business or school. We look forward to having fiber soon but we are still were connected with competitive DSL and excellent competitive telephone service.
